Barry Reeves : A Shot in the Dark: A Day in the Night of a New York City Bartender before purchasing it in order to gage whether or not it would be worth my time, and all praised A Shot in the Dark: A Day in the Night of a New York City Bartender:

0 of 0 people found the following review helpful. This is a very funny book.By CustomerThis is a very funny book. At one point I was laughing so hard that tears were coming down my face. My 19 year old daughter said she never saw

me laugh so hard. I bought her and my brother a copy. The story of Barry and his night with Nina was one of the funniest things I ever read! And I read a lot. Paul W. 2 of 2 people found the following review helpful. **Hilarious!** By Iamina Diana This review deserves 5 stars because it depicts the life of one who has left the surroundings he knows to pursue a life he dreamed of which turned out to be what felt like home. The story inspires one to enjoy life's little adventures and to take the good parts of it with the bad parts as well. Anyone who loves Irish people and life should read this book! 0 of 0 people found the following review helpful. **don't forget to tip your book reviewer.** By Bernie Cusner This is one of those books you wish were longer. It's full of hilarious stories and funny jokes. Barry wrote an excellent guide to the NYC bar scene in a very unique way.

Following author Barry Reeves' move from his native Ireland to New York City, *A Shot in the Dark* chronicles his bartending experiences in Hell's Kitchen from 1999 all the way through 2012. From hookers, pimps, gangsters, and transvestites, to policemen, firemen, celebrities, and priests--oh, and don't forget the drunken wankers--Reeves provides his inside take on NYC and packs an arsenal of witty and highly entertaining stories on his interactions with all walks of life. One-night stands, fights, swingers, and joy rides in cop cars run rampant in this explosive and side-splitting memoir. The funniest book written since *The Bible*.
