Seriously, every morning reading a new comic is the highlight of my morning. Sometimes we even stick them on the fridge to read for a month because they are so applicable to our lives! Every Christmas I request a new calendar and I have not been disappointed yet! 1 of 1 people found the following review helpful. FUNNY By Carol Get one every year for my husband and sons for their desks. They bring a bit of humor to everyday and the trivia on the back is an added bit of fun. Will continue to watch Darryl, Wanda, Zoe, Hammie and Zoe as they show us the humors of childhood. 0 of 0 people found the following review helpful. Baby Blues has been a favorite for a generation of readers with the funny and relatable situations of the MacPherson family. The Baby Blues 2017 Day-to-Day Calendar features a different, full-color comic strip on each page. Zoe has a crush on a boy in her class. Hammie is a person of interest in the mysterious mailbox knockover case. Baby Wren is walking, talking, and learning some less-than-admirable things from her older siblings. And parents Darryl and Wanda are still trying to get a good night's sleep. Anyone who has experienced life in a family--sometimes chaotic,

occasionally contentious, frequently exhausting, but always full of touching moments that make you smile can relate to Baby Blues. This calendar features a different full-color strip each day by award-winning cartoonists Rick Kirkman and Jerry Scott.
