The office gets a kick out of it too! NOTE: Some of the "Bad Dog Quotes" are a little off color, I'd definitely say this is PG-13, or, depending on the office environment, not appropriate for some workplaces. 0 of 0 people found the following review helpful. Gotta have it.... By minxangel1951 Have bought one of the "Bad Dog" and "Bad Cat" calendars every year.....they are just so funny and everyone cracks up almost daily. In this hurried world, so full of stress, it's nice to slow down a second and be able to laugh and make others laugh too. 0 of 0 people found the following review helpful. Bad Dog wins By Dawn James This was a gift for a friend and she loved it. I would get it again. Her dog not only is cute but has an attitude befitting the calendar.

There are good dogs and there are, well, these dogs. Adapted from the howlingly funny New York Times bestselling book, the Bad Dog Calendar is a shocking showcase of canine misbehavior. So many mutts, so many ways to go wrong. Dogs with out-of-control sniffing tendencies. Dogs crossing boundaries with stuffed animals. Dogs dressed as pathetic clowns. Sinister dogs, smug dogs, slobbery dogs, smelly dogs, mania-cal dogs, utterly out-of-control dogs. These dogs take disobedience to a disturbing new low.
