I find it to be one of the best activities I can do to help myself relax!! It can be done everywhere. I color while waiting for appointments, while watching (rather listening to) TV or while my kids are busy playing Legos!! I have begun carrying coloring supplies with me...just in case there is time to color while out and about!DOODLE ART ALLEY BOOKS are my absolute FAVORITE coloring books EVER! I just love everything about them! I love the quotes, the detail, the designs and the size! I use them as inspiration quotes on the bathroom mirror for my kids (and myself) to see each morning. I switch the pictures out from time to time to keep things fresh. The boys think that is a great way to start their day! I use these pictures as thank you cards and for other occasions that would constitute a greeting card. I feel that this is such a more personal way to let people know that you are thinking of them!!!In addition to the practical purposes of the finished product the actual process of coloring it both relaxing and therapeutic! I make sure to set aside 20 minutes nearly daily for coloring and I feel so much better when I get my time in! I think there is something very wonderful that happens when you color and

I found that is it one of my favorite things to do!!! This whole series of books are all wonderful and each book focuses on something a bit different than the others! All the books are awesome and I HIGHLY recommend them! I cannot wait to see what other books that come out and I hope I am lucky enough to review them here for all of you!!!5 HUGE STARS!!!0 of 0 people found the following review helpful. Feel Better, Believe In Yourself and Color On!By AvvalynnaI love the adult coloring craze but I am not a fan of the intricate, detailed drawings. I love the illustrations with designs and quotations that either make you think or inspire. I searched through for inspirational coloring books with proverbs, quotations and poetry. Samantha Snyder did such a wonderful job with this series! I purchased 4 of them right of the start. This is volume 6. There are pages with quotes from Oscar Wilde about loving oneself, Brigham Young and focusing only on our own opinions of yourself, Helen Keller on always keeping your head held high and much more. Of course, it is called Believe In Yourself. lolI am currently on Weight Watchers and my favorite thing to do is to choose a page to share with my fellow members. I usually choose sayings that provide support in our journey to lose weight or help someone in a time of trouble. A few members have asked where I have gotten the pages and they now own their own copies of these coloring books. Happiness, inspiration is infectious!As for what to color with: I use Prismacolor markers, Sakura Gelly Rolls and Prismacolor Pencils. If you use markers, they will bleed through so make sure you have something under the page. If you have the pencils, Prismacolor sells a blender pencil which is awesome to use and I greatly recommend it!PS. You can basically finish these pages in a sitting or sitting and a half which is awesome! No need for marathon coloring. No daunting task!Sakura 57361 74-Piece Gelly Roll Artist Gift SetPrismacolor Premier Double Ended Art Markers, Brush Tip and Fine Tip, Set of 24 Assorted Colors with Carrying Case (1776353)Prismacolor Premier Soft Core Colored Pencil, Set of 48 Assorted Colors (3598T)0 of 0 people found the following review helpful.
