The author Peter MacDonald has done a great job including many fun and interesting brain teasers at varying levels of difficulty. Kids of all ages will be able to challenge themselves and see who can correctly work out the most brain teasers. I love how there are 3 different levels from easy to difficult. Answers are also included in the back of the book for those who want to check to see if they got it right. A Quality book for some good, clean family fun! 2 of 2 people found the following review helpful. Very fun and educational for the kids By Hanson Le
This jokes are perfect for not only educating the little ones but also have them have fun with learning and thinking. Sometimes critical thinking is just much easier when it's something fun or exciting. This book really does just that, this isn't my only book I have from Peter and every book I've bought have great quality riddles and jokes. Great children's book. 5 of 5 people found the following review helpful. A good book for keeping kids entertained By Shaun
