**Bill Park : Go Ahead and Laugh!: Laughter is the Best Medicine** before purchasing it in order to gage whether or not it would be worth my time, and all praised Go Ahead and Laugh!: Laughter is the Best Medicine:

You know you want to, don't hold it in, "go ahead and laugh." Life is too short to hold in the healing power of laughter. Bill Park has compiled funny stories and jokes from friends and family and many other sources to create this book filled with clean jokes, silly stories and one-liners for anyone who likes to share a good laugh. For the speaker

who wants to add a fun zinger in his talk, or the person who just needs a good laugh, this book has just what you need, and with the index, will allow you easy access to the perfect joke or one liner.
