But I was bored of my old plain white one, why can't there be one that expresses my love for fishing. Then this gem falls on my lap it shows great pictures of fishing that gives me a warm feeling inside. Also making my haters jealous that they haven't snagged one like this. All in all great calendar would definitely recommend it. 0 of 0 people found the following review helpful. Very Cute By Holly Bierer I bought this calendar as a gift for a fellow employee. He liked it very much. Graphics are well done.

With his usual flair for exposing the foibles of fanatics, renowned artist Gary Patterson offers comical tongue-in-cheek depictions of fishing and those who think the worst day at the fishing hole beats the best day anywhere else.
