areas? Should you respect a woman who is called a "southern belle" -- or not, and why? Would you like to know the secrets of cooking southern style? Why is Elvis considered "royalty"? What is the most dreaded terror in all the south (animal or vegetable)? What is the "other religion" in the southland? When is it permissible for a woman to wear white shoes and carry a white handbag -- and not? Do you like a good laugh? Having It Y'all should put a grin on you face. It put one on mine! NOTE: The book has been updated considerably since its first publication in the 1980s. Some of the sports statistics need some serious updating; they stop in 1992. A lot of pro teams have shifted around. A lot of home-grown footballers have gone to the super bowl, too! 1 of 1 people found the following review helpful. Tea Party Lovers Book By Vi. S. This book is a good book with good hints when having a tea party. I would recommend it to anyone who enjoys reading about tea parties. By Rick Kirkland FALLING DOWN FUNNY (AND STEREOTYPICALLY TRUE). Southerners laugh because of the truth; Northerners laugh in disbelief.

A playful but proper social introduction to the South and southerners. It's a tongue-in-cheek guidebook to navigating the ways and means of today's Southland. Illustrated.
