IgorshoifotAlas, mostly very outdated and cliched jokes. A few nice once, but I stopped reading after 20 pages - the ratio of Really Good to Really Stupid is too poor. 1 of 1 people found the following review helpful. Old school funny! By StephanieThe jokes were funny, but a little dated (too many quotes)...found some pretty useful introductions for my dad's roast! HA6 of 11 people found the following review helpful. funny By A CustomerThis is quite possibly the funniest book I have ever read.

Speakers, writers, and everyone who likes to laugh will grab this witty compilation of fast, funny remarks right off the shelf. The humorous collection, with amusing illustrations throughout, includes side-splitting quotes and comic observations from Bill Cosby, Rodney Dangerfield, Jerry Seinfeld, Groucho Marx, Lucille Ball, Mae West, Oscar Wilde, and many others. In addition to the roasts and toasts, there are one-liners perfect for easing a situation and charming an audience.
