Liz Climo : The Little World of Liz Climo before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little World of Liz Climo:

Artist Liz Climo has charmed her fans with her comic world of whimsical animal characters, where everyone from grizzly bears, dinosaurs, rabbits, and anteaters grapple with everyday life with wit and humor. Through her comics, we discover that an armadillo can dress for Halloween, a dinosaur can be a loving parent ... and a rhino can squeeze orange juice! This new collection features more than 100 of her comics, starring her beloved characters in all kinds of

funny situations, from celebrating holidays to helping friends.
