Bruce M. Nash, Allan Zullo, Kathryn Zullo : The New Lawyer's Wit And Wisdom: Quotations On The Legal Profession, In Brief before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Lawyer's Wit And Wisdom: Quotations On The Legal Profession, In Brief:

0 of 0 people found the following review helpful. in perspectiveBy RPPi just passed the bar exam a few days ago, and I'll be sworn in next week, so while I'm catching my breath I picked up a copy of this little book. Unlike many other books about law and lawyers that attempt to be humorous, this one truly is. The quotes are by famous lawyers and others throughout history, and they range from philosophical to clever to laugh-out-loud. I highly recommend it to any lawyers who can laugh at themselves and the profession.0 of 0 people found the following review helpful. simple book but has some great quotesBy Justin CraftThis book is great for some lighter reading. There are a lot of good quotes in it. However, there are many more quotes from TV shows than expected (I thought it would mainly be great quotes from history that people recorded, not scripted quotes for a TV audience). Overall it's a good book and made for a great gift.0 of 0 people found the following review helpful. Three StarsBy getsn2troubleherenothing with wit or wisdom ... just okay lawyer jokes

Attorneys are rarely at a loss for words -- and here's another volume of them that's sure to please any member of the legal profession. A revised and expanded edition of our original *Lawyer's Wit and Wisdom*, this handsome, giftworthy book boasts more than 125 new quotations and twenty new anecdotes. Sources include such legal eagles as Alan Dershowitz, Kenneth Starr, Marcia Clark, Sandra Day O'Connor, and Martin Luther King. For comic relief, editors have included a few pungent notions from Richard Fish, fictional attorney on the television show *Ally McBeel*, as well as other wise observers of the courtroom scene.
