**Dan Consiglio : The New Mom from A to Z: Real Tips for a Surreal Time** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Mom from A to Z: Real Tips for a Surreal Time:

1 of 1 people found the following review helpful. Fun Quick Read!By Elizabeth Del CarmenGreat book that had me laughing out loud with the turn of every page! If you are pregnant you will really enjoy it and if you know someone who is, this is a gift they will definitely appreciate.

An honest and humorous look at motherhood for the freaked-out soon-to-be moms of the world. Women are human, too. And although they'll read every pregnancy book they can get their hands on to their lesser half's one, they can use a hug and a "you'll be juuuust fine" from time to time. That's the idea behind The New Mom From A to Z – to give expecting and new moms a well-earned stress break while delivering some helpful information with a smile, in a book that weighs less than The Bible. This does not pretend to be What to Expect When You're Expecting, it's more like Shit Happens and It'll All Be OK. Taking Mom from A Is for Answers (everyone you know ha at least one) to Z Is for Zippers (they're not your friend), each entry is paired with a photo from areal mom giving a true-to-life look at the exciting, hormonal, and sometimes perplexing experience that is new motherhood. The ups, the downs, and the soiled. That's parenthood.

About the Author Dan Consiglio has written two books, *The New Dad from A to Z* (Andrews McMeel, 2010), *Of Course You're Still Cool, Honey* (Adams, 2011), with a third -- *Is That a Picasso on Your Fridge?* (Ulysses, 2012) in the works. Dan writes for a living and a hobby. By day, he creates commercials, print ads, websites and more for brands large and small. Outside of work, Dan has written and directed a feature-length film, *alleyball*, which received nice acclaim on the festival circuit and premiered in five cities across the U.S. But mainly, Dan is a Dad. And as a storyteller, Dan loves to share the hilarious highs and lows of parenthood to any and all who will listen. But seriously, he's not that annoying.
