**Malcolm Kushner : The Official Book of Mob Humor** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Official Book of Mob Humor:

Wise Guys Say The Darndest Things By Jerry Capeci is an excellent replacement. 0 of 0 people found the following review helpful. A fun and darkly entertaining book. By Mark Schultz This is not just a book about mob jokes and riddles. It is far more than that. It is chock full of trivia and funny lines from mob movies spanning over 80 years. It has newspaper headlines that will make you laugh. It has stories that

you won't believe. It has funny quotes from mobsters, about mobsters, and movie mobsters. I had quite a few laughs, more smiles than I can count, and a number of punny groans. I enjoyed it immensely! There is no need for omerta with this book. I give this book 4.5 stars out of 5! Thank you Malcom and crew for a fun ride with a happy ending. I ate the cannoli!

By Richard R. Blake  
Award winning author Malcolm Kushner, often recognized as "America's Favorite Humor Consultant," adds a new title to his repertoire of published collections of quips, quotes, jokes, and anecdotes. "The Official Book of Mob Humor" is packed with wit, wisdom, and headlines featuring quirks, oddities, and idiosyncrasies of the mob. Kushner's humor is guaranteed to tickle the funny bone of every law-abiding citizen, officer of the law, as well as the families and associates of Mafia members from every ethnic group. I especially enjoyed the creative messages and imagination in the cartoon illustrations drawn by Kenny Durkins. Another of the features that kept me laughing was the chapter "Headline Hits" made up of humor found in actual newspaper headlines. "The Interrogation Room" contains Mob Q A, featuring hilarious one-line riddles like questions with funny quip answers from "downright corny" to "brilliantly clever." For movie fans Kushner includes a comprehensive list of "mob-related comedies" with wild hilarious plots involving mobsters, racketeers, and criminals from every imaginable diversity. He also includes memorable quotes from these movies. In a day when the experts are touting "laughing" as a way for finding health and happiness, and doctors are prescribing "laughter" as a stress reliever, Malcolm Kushner's humor is destined to establish this book as "The Official Book of Mob Humor." Decidedly entertaining. Highly recommended. A complimentary copy of this book was provided for review purposes. The opinions expressed are my own.
