**Petronius : The Satyricon (Oxford World's Classics)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Satyricon (Oxford World's Classics):

1 of 3 people found the following review helpful. Five StarsBy Customergood0 of 2 people found the following review helpful. Five StarsBy Brianna K.good3 of 6 people found the following review helpful. HilariousBy Parisa MirdamadiA great light read very much worth buying, I recommend it to anyone who appreciates Roman literature and its poetry.

The Satyricon is the most celebrated prose work to have survived from the ancient world. It can be described as the first realistic novel, the father of the picaresque genre. It recounts the sleazy progress of a pair of literate scholars as they wander through the cities of the southern Mediterranean in the age of Nero, encountering en route type-figures whom the author wishes to satirize. P.G. Walsh captures the spirit of the original in this new and lively translation. His introduction and detailed notes provide the reader with a comprehensive guide to the meanings and intentions of the story and the later history of its literary influence. About the Series: For over 100 years Oxford World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

"Classical literature can be entertaining, and this new edition is admirably served by a translation which brings the ancient Romans into the late 20th century." --The Daily Telegraph  
About the Author P. G. Walsh is Emeritus Professor of Humanity at the University of Glasgow. He translated and edited Apuleius, *The Golden Ass* for World's Classics.
