petsUseless, might as well spend that money on toilet paper which is about all that this book is good for. Kudos to the author, however, who manged to profit from publishing it.2 of 5 people found the following review helpful. Clever and hilariousBy Ashley LThis book definitely isn't for someone with a stale sense of humor... That being said, for

those of us who are into Chad Brody's kind of funny, the book is hilarious. It's an over the top subject to begin with but Chad takes it to another level. I bought this book as a gift for a male friend of mine, he loved it! It's silly and my gift went over very well with all of the guys at the party. I definitely recommend this book to anyone who is looking for a fun coffee table book or a silly gift for a friend who likes to laugh :) 2 of 6 people found the following review helpful. Not for everyone, but for those that it is... you'll love it. By Greg Bellan I'll steal a quote from the author of this book to start off: "This book contains material that may be considered crude and vulgar. The humor, while immature, might be better left for adults. If you don't like jokes, don't read this book." I'd say it's safe to say the same thing about this review. Still here? Onward... Written by Chad Brody, the official name of the book is *The Shocker - Two In The Pink, One In The Stink*. This book is BRILLIANT. It's CLEARLY not for everyone, but if you understand what it is you're picking up and you have a juvenile streak running through you the way I do you're in for a treat. The "book" itself is very short at only 106 pages. I say book in quotes because the first part (where the real meat is) is only about a 10 minute read. All immaturity aside, there's actually some really interesting stuff here. Brody talks about the origin of the gesture, provides a critical discussion, offers some possible variations and even gives quite a few diagrams that display how it's done.[...]

Known also by its trademark rhyme, "Two in the pink, one in the stink," *The Shocker* is one of our culture's most enduring urban legends, and its over-the-top innuendo has cemented it as one of the most classic of all dirty jokes. Unsurprisingly, most people are disturbed and offended when they find out what the innocent hand gesture really means. Often dismissed as crude and immature, *The Shocker* is thusly overlooked for its cultural and historical contributions. For instance, did you know that *The Shocker* is one of the last urban legends to be born out of word-of-mouth sharing? Introduced today, it would likely become a disposable internet meme. Even more intriguing is how *The Shocker* has remained a mystery to the uninitiated for so long: A middle finger won't fly in a family photo, but *The Shocker* can *slip in* unpunished. The time has come for a *deeper plunge* into the mystique of *The Shocker*. The time has come for this book. Like *The Shocker* itself, *The Shocker: Two in the Pink, One in the Stink* comes in two parts. Part I is a brief-but-intense theory and background of *The Shocker*, which serves as the first, only, and most authoritative work ever produced on the subject. Part II is a collection of 365 hilarious variations on *The Shocker* rhyme; enough for every day of the year! A perfect gift or bathroom reader, *The Shocker* will provide you and your friends with hours of laughter. Just beware any sneaky pinkies! Examples from Part II: Two in the Blossom, One in the Awesome Two in the Child, One in the Wild Two in the Flirty, One in the Hurty Two in the Eat, One in the Seat Two in the Snail, One in the Tail Two in the Squirt, One in the Hurt Two in the Funs, One in the Runs Two in the Classy, One in the Gassy Two in the Gap, One in the Crap Two in the Dame, One in the Shame Two in the Sludge, One in the Fudge Two in the Party, One in the Farty Two in the F***, One in the Yuck Two in the Blood, One in the Mud Two in the Pimp, One in the Limp Two in the Kids, One in the Skids Two in the Bush, One in the Tush Two in the Drip, One in the Rip Two in the Fold, One in the Gold Two in the Easy, One in the Sleazy Two in the Wet, One in the Regret Two in the Pregger, One in the Beggar Two in the Humper, One in the Dumper Two in the Beaver, One in the Fever Two in the Porn, One in the Corn
